### **76/11/12 Feedback on action point**

**Speeding**-The Chairman reported back on his investigation into the use of speed guns. The Chairman had spoken to Greville Burgess from the Road Safety Partnership but no further action can be taken as Lincolnshire Police had no intention of acting.

**Noticeboard**-a parishioner had reported that the noticeboard appeared to be leaking. The Chairman had contacted Pelican Trust and they will come out and repair it.

**Picnic Site**-the picnic site has been mowed but the hedges cannot be cut until February.

### **77/11/12 Financial Report:**

The balance of the Lloyds account as of 14/11/12 was £1278.51

### **78/11/12 Planning Applications**

None received

### **79/11/12 Public works loan**

The Chairman explained that the loan would need to be 'gifted' to the village hall. No recompense can be used/village hall cannot make repayments. Before a loan a referendum needs to be taken from the village.

**Action:** Clerk to contact electoral services and check legality

The Chairman discussed how to proceed with the application. Cllr J Dring asked a question about Councillors having personal liability. The Chairman said he had researched this question and no, Councillors were not personally liable should the Council fail to repay the loan.

It was proposed by the Chairman that the Parish Council apply for permission for a pre-loan application on the premise that the village hall be granted the money. A vote was taken and all were in favour.

The Chairman also reported that the village hall had applied for grants for heating.
